July 29, 2014

Dear Parents,

Please read the following memo from the WCSS School Nutrition Department:

Worth County School District will be implementing a new program available to the State of Georgia called the Community Eligibility Provision (CEP) for the 2014-2015 school year. All *enrolled students* of Worth County School District are eligible to receive one healthy breakfast and one lunch at school at NO CHARGE to your household each day of the 2014 – 2015 school year. Your child(ren) will be able to participate in these meal programs without having to pay a fee. If you were paying for full-priced or reduced-priced meals in the past, you will not be paying those charges this year for your child to receive a breakfast or lunch. However, if students wish to have a second meal or extra items, those items will have a charge. A second meal will be charged the full adult meal price of \$3.75. Students must have monies to pay for those second meals/extra items or the second meals/extra items will not be allowed to be purchased.

Monthly lunch menus will be available on the district and school websites at www.worthschools.net.

We are proud to partner with each of you on your educational journey this year!

Respectfully,

Tiffany L. Sevier
Principal

Carole Slappey
Assistant Principal

Jacque Walker
Assistant Principal

Donald Edwards
Assistant Principal
