08/21/2017

Dear Parents/Guardians,

The faculty and staff of Worth County Middle School are striving to create a rigorous and robust curriculum to prepare our students for their futures. In an effort to prepare our students for the increasing curricular demands at high school and post-secondary school, all Worth County Middle School students will be required to complete a social science project this semester. The projects will be due on **November 10, 2017**. Though the project will be discussed and worked on at school, the student will need to work on it at home as well. Please discuss this project with your child. **By Friday, September 1, each student should return this completed form signed by the parent/guardian.** Each student will only complete one project. More information will be sent home based on the type of project your child is completing. If you have any questions or concerns, please contact your child's teacher or Maria Fletcher.

Tiffany L. Sevier
Principal

Carole Slappey
Assistant Principal

Jacque Walker
Assistant Principal

Donald Edwards
Assistant Principal

Thank you,

A handwritten signature in black ink that reads "Tiffany Sevier".
