<b>FAQ's</b>		
<b>What is the Hybrid Model?</b> The hybrid model allows for a student to attend school in person two days a week and participate in remote learning/independent study three days per week. Students will be assigned to attend school in person on either Monday/Wednesday or Tuesday/Thursday. Friday will be a remote learning day for 6-12 students only.		
<b>Is this schedule applicable to 6-12 virtual learning students?</b> No, students who are already participating in virtual learning through <i>APEX</i> or <i>Edgenuity</i> will not see a change in their course or schedule, teacher office hours will remain the same.		
<b>Hybrid Learning Schedule</b> Grades 6-12 Only	<b>Remote Learning/Independent Study</b> 3 out of 5 days per week	<b>In Person Instruction</b> 2 out of 5 days per week
<b>Pre K-5:</b> Students will attend school traditionally Monday-Friday (5 days per week)		
<b>Will school nutrition provide lunches to students not on campus for class?</b> Yes, if you would like a meal on the remote learning days please complete the following form <a href="#">HERE</a>		
<b>Can all of my children attend school on the same days?</b> Every effort will be made to coordinate schedules so that all students in a family will attend face to face instruction on the same days.		
<b>We have no internet, how will my child work digitally?</b> A paper assignments or packet maybe provided for digital learning days.		
<b>Attendance:</b> Will be recorded in Infinite Campus using the same procedures for face to face and virtual learning.		
<b>Grading and Expectations:</b> All grading will be consistent with WCS protocols regardless of the method of delivery of instruction.		

**NOTE:** Families that have significant conflicts with the schedule listed above need to contact your child's school for assistance.
