### Academic Achievement Goals

- District Goal: The goal of the Worth County School District is to meet or exceed content area performance mastery targets by 3%.
- School Goals: The goals of Worth County Middle School are to increase the percentage of students scoring Proficient or Distinguished level in all content areas by three percentage points as measured by the Spring 2019 Georgia Milestones End of Grade (EOG) Assessments.

### Area of Emphasis

Georgia Standards of Excellence (GSE) for all academic subjects are used in classes to ensure that all WCMS students have equal access and opportunity to master the skills and knowledge needed for success beyond the middle school. The standards provide clear expectations for instruction, assessment and student work. The standards are available for viewing at [www.georgiastandards.org](http://www.georgiastandards.org).

## WE ARE RAMS!!

### What is a School — Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

WCMS parents, students and staff worked together to develop the school-parent compact. Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents. Please call or email with questions or concerns about the school-parent compact.
