Maddex Johnson is a five year old student at Worth County Primary School. He should be in Kindergarten, making new friends and enjoying class with some of his old friends from Pre-K, and hunting deer. Unfortunately, he is laying in a hospital bed in Atlanta, at Egleston Children's Hospital fighting for his life. He is battling a rare cancer, HLH (hemophagocytic lymphohistiocytosis) and is in need of a bone marrow transplant. Please help support Maddex and his family in his fight against HLH. #MaddexStrong, #FightLikeMaddex, #HLHWarrior
