

**School-Parent Compact**  
***Worth County Elementary School***  
***School Year 2021-2022***  
***Revision Date: 10/27/2021***

Dear Parent/Guardian,

Worth County Elementary School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

**JOINTLY DEVELOPED**

The parents, students, and staff of Worth County Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

**WORTH COUNTY SCHOOL DISTRICT GOALS:**

**Vision**

- Worth County Schools will prepare students to graduate and be productive citizens by providing them with access to high quality programs.

**Mission**

- Worth County Schools provides a quality education that develops graduates and life-long learners.

**Slogan**

- Committed to the Success of Every Student

**Goals**

- To overcome learning loss experienced due to the COVID pandemic.
- To meet or exceed the state graduation rate performance targets.

## **WORTH COUNTY ELEMENTARY GOALS:**

- The number of students scoring in the proficient and distinguished level on the Georgia Milestone Assessment has continued to be an area of concern, especially due to the loss of learning due to the COVID pandemic. WCES will work toward increasing the percentage of students scoring in these categories.
- Increase student performance in mathematics and ELA across all grade levels.

**To help your child meet the district and school goals, the school, you, and your child will work together to:**
